INTRODUCTION

Overview of Campus Safety and Security Reporting

Choosing a postsecondary institution is a major decision for students and their families. Along with academic, financial and geographic considerations, the issue of campus safety is a vital concern. Institutions of postsecondary education that participate in the Federal student financial assistance programs are required by section 485(f) of the Higher Education Act of 1965 (HEA) to provide campus crime statistics. The Act is also known as the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act). Under the Clery Act, institutions must provide crime and fire statistics for the prior three years to the US Department of Education.

Furthermore, the Violence Against Women Reauthorization Act of 2013 (VAWA) includes amendments to the Clery Act. These changes require institutions to disclose statistics, policies and programs related to dating violence, domestic violence, sexual assault and stalking, among other changes.

All public and private postsecondary institutions that participate in any of the Title IV programs must comply with the HEA. The programs include Pell Grants, Federal Supplemental Educational Opportunity Grants (FSEOGs), the Federal Work-Study Program, Federal Perkins Loans, the Federal Direct Loan Program, and the Leveraging Educational Assistance Partnership (LEAP).

Data for the calendar year is collected and reported through a Web-based survey and system. Providing this information is required under section 485 of HEA, as a condition of NMC's continued participation in the Federal student financial assistance programs.

Campus Safety Survey Administrator

The Campus Safety Survey Administrator (CSSA) is the person responsible for completing the 2018 Campus Safety and Security Survey. This year's survey was conducted from August 22, 2018 through October 17, 2018. The person appointed as the CSSA is someone who is familiar with campus safety and security procedures. NMC's CSSA is Vince Merfalen, Director of Facilities who oversees Campus Security and personnel.

NMC SECURITY SERVICES

Security Operations

NMC Security Services on the Saipan campus are administered by a private security company contracted 24 hours per day, every day throughout the year. Security operations and the security guards are under the supervision and management of the NMC Director of Facility. The Campus Security Office is located in Building O and may be contacted on extension 6800 (on campus) or by calling 670-287-4218.

Rota and Tinian Instructional Sites do not have security guards but are monitored through closed-circuit surveillance cameras.

Emergency Procedures and Response Plans

NMC Emergency Operations Plan is part of the college emergency management (EM) program. It is designed for the planning, execution and management of preparedness and response efforts to emergency and disaster situations. More importantly, it provides direction for those involved in these efforts including campus security operations. The plan is not all-inclusive and may be supplemented by additional actions. All campuses must be prepared to provide or receive external support, including mitigation of potential effects of, responding to, and recovering from emergency and disaster situations.

Security guards are unarmed and have no arrest powers. All crimes are reported to local law enforcement. On duty security guards make entries in their daily log of all incidents even if it does not involve a criminal offense or activity.

CRIME STATISTICS

The following information are the types of crimes that are included in the Clery Act crime statistics reports. The Clery Act requires us to report on four general categories of crime statistics. Additionally, statistics must be disclosed separately for each, thus when an incident meets definitions in more than one of these categories, it must be reported in each category.

General categories of crime statistics

1. *Criminal Offenses -* Criminal Homicide, including Murder and Non-negligent Manslaughter, and Manslaughter by Negligence; Sexual Assault,2 including Rape, Fondling, Incest and Statutory Rape; Robbery; Aggravated Assault; Burglary; Motor Vehicle Theft; and Arson.

2. *Hate Crimes -* Any of the above-mentioned offenses, and any incidents of Larceny-Theft, Simple Assault, Intimidation, or Destruction/Damage/ Vandalism of Property that were motivated by bias;

3. *VAWA Offenses -* Any incidents of Domestic Violence, Dating Violence and Stalking. (Note that Sexual Assault is also a VAWA Offense but is included in the Criminal Offenses category for Clery Act reporting purposes); and

4. *Arrests and Referrals for Disciplinary Action (for weapons) -* Carrying, Possessing, Etc. Law Violations, Drug Abuse Violations and Liquor Law Violations.

Crime Definitions

All reported offenses are considered crime statistics, without regard to the findings of a court, coroner or jury, or the decision of a prosecutor. For Clery Act purposes, it is essential that institutions classify and count reported incidents based on the definitions specified by the Clery Act. For the purposes of counting and disclosing:

Crime	Definition based on
Criminal Offense, Hate Crime, arrest and disciplinary referral statistics	FBI's Uniform Crime Reporting (UCR) Program
Murder, Rape, Robbery, Aggravated Assault, Burglary, Motor Vehicle Theft, Arson, Weapons Carrying, Possessing, Etc. Law Violations, Drug Abuse Violations, and Liquor Law Violations	Summary Reporting System (SRS) User Manual from the FBI's UCR Program
Fondling, Incest and Statutory Rape	FBI's National Incident-Based Reporting System (NIBRS) Data Collection Guidelines edition of the UCR
Hate Crimes	FBI's Uniform Crime Reporting Hate Crime Data Collection Guidelines and Training Manual
Domestic Violence, Dating Violence and Stalking	Violence Against Women Act of 1994

Types of Criminal Offenses

1. Criminal Homicide
   a. Murder and Non-negligent Manslaughter
   b. Manslaughter by Negligence

2. Sexual Assault (Sex Offenses)
   a. Rape
   b. Fondling
   c. Incest
   d. Statutory Rape

3. Robbery

4. Aggravated Assault

5. Burglary

6. Motor Vehicle Theft

7. Arson

Hate Crimes

The second category of statistics you must disclose after Criminal Offenses is Hate Crimes. A Hate Crime is a criminal offense that manifests evidence that the victim was intentionally selected because of the perpetrator's bias against the victim. Under the Clery Act, only the following eight categories of hate crimes are reported:

1. Race

2. Religion

3. Sexual Orientation

4. Gender

5. Gender Identity

6. Ethnicity

7. National Origin

8. Disability

In addition to those criminal offenses listed in an earlier section, Larceny-Theft, Simple Assault, Intimidation, and Destruction/Damage/Vandalism of Property are included in the Clery Act statistics only if they are Hate Crimes.

VAWA Offenses

The third category of crime statistics you must disclose are those added to the Clery Act by the Violence Against Women Act. These are:

1. Dating Violence,

2. Domestic Violence,

3. Sexual Assault and

4. Stalking.

Arrests and Disciplinary Referrals

…for Violation of Weapons, Drug Abuse and Liquor Laws

The fourth category of crime statistics is the number of arrests and the number of persons referred for disciplinary action for the following law violations:

1. Weapons: Carrying, Possessing, Etc.;

2. Drug Abuse Violations; and

3. Liquor Law Violations.

Violations of NMC policies that resulted in persons being referred for disciplinary action _are not_ include _if there was no violation of the law_.

Unfounded Crimes

Beginning with the reports due in 2015, institutions have been required to include in the Web-based survey and the annual security report statistics for the total number of crime reports that were ''unfounded'' and subsequently withheld from crime statistics during each of the three most recent calendar years.

For Clery Act purposes, the determination to unfound a crime can be made only when the totality of available information specifically indicates that the report was false or baseless. A crime may be classified as unfounded only:

1. After a full investigation by sworn or commissioned law enforcement personnel.

2. If sworn or commissioned law enforcement personnel make a formal determination that the report is false or baseless.

    a. Crime reports can be properly determined to be false only if the evidence from a complete and thorough investigation establishes that the crime reported was not, in fact, completed or attempted in any manner.

    b. Crime reports can be determined to be baseless only if the allegations reported did not meet the elements of the offense or were improperly classified as crimes in the first place.

3. A reported crime cannot be designated "unfounded" if no investigation was conducted or the investigation was not completed. Nor can a crime report be designated unfounded merely because the investigation failed to prove that the crime occurred; this would be an inconclusive or unsubstantiated investigation.

Excluded Crimes

There are some crimes that you should not include in your institution's Clery Act statistics. They are:

1. Non-Clery Act crimes

2. Crimes not committed in geographic locations specified by the Clery Act

SUMMARY:

Statistics for all Clery Act crimes must be reported by the type of crime that was committed, the year in which the crime was reported and the geographic location where the crime occurred. A copy of the NMC reports may be found in Annex A (Saipan), Annex B (Tinian) and Annex C (Rota).
