The Northern Marianas College  
Section 702 of the Veterans Access, Choice and Accountability Act of 2014  
Approved by the Veterans Administration  
Effective July 1, 2015

Section 702 of the Veterans Access, Choice and Accountability Act of 2014 (“Choice Act”), requires VA to disapprove programs of education for payment of benefits under the Post-9/11 GI Bill and Montgomery GI Bill-Active Duty at public institutions of higher learning if the schools charge qualifying Veterans and dependents tuition and fees in excess of the rate for resident students for terms beginning after July 1, 2015.

These new requirements will ensure that our Nation’s recently discharged Veterans, and their eligible family members, will not have to bear the cost of out-of-state charges while using their well-deserved education benefits.

To remain approved for VA’s GI Bill programs, schools must charge in-state tuition and fee amounts to “covered individuals.” A “covered individual” is defined in the Choice Act as:

- A Veteran who lives in the state in which the institution of higher learning is located (regardless of his/her formal state of residence) and enrolls in the school within three years of discharge from a period of active duty service of 90 days or more.
- A spouse or child using transferred benefits who lives in the state in which the institution of higher learning is located (regardless of his/her formal state of residence) and enrolls in the school within 3 years of the transferor’s discharge from a period of active duty service of 90 days or more.
- A spouse or child using benefits under the Marine Gunnery Sergeant John David Fry Scholarship who lives in the state in which the institution of higher learning is located (regardless of his/her formal state of residence) and enrolls in the school within three years of the Servicemember’s death in the line of duty following a period of active duty service of 90 days or more.

The law requires VA to disapprove programs of education for everyone training under the Post-9/11 GI Bill and the Montgomery GI Bill –Active Duty (MGIB-AD) if in-state tuition and fees are not offered to all “covered individuals.”
