Your application for federal financial aid was selected for review in a process called "VERIFICATION" which requires that we compare information from your FAFSA with signed copies of your Federal tax forms, W-2 forms and/or other financial documents. If there are differences between your application and your financial documents, corrections will need to be made to your application and your information will be reprocessed.

You must complete and sign this worksheet and submit it along with any documents requested below. **FAO is unable to continue processing your financial aid application or award financial aid until verification has been completed.** Contact the Financial Aid Office (670-237-6791/2/3/4) if you need assistance. *Do not leave any space blank.
